THANH HUNG FOOD TRADING SERVICE CO., LTD

Export Information:

10 years of experience in the rice sector

With over 10 years of experience operating in the rice sector, I have directly participated in the entire value chain from purchasing paddy in raw material areas, quality control, milling, and processing to distribution and market development.

During my work, I have accumulated experience in:

- Building and developing high-quality rice raw material areas.
- Purchasing paddy according to standards, evaluating quality, and optimizing costs.
- Managing the milling, preservation, and packaging process to ensure rice grain quality.
- Developing rice lines such as ST25, ST21, Nang Thom, Thom Lai, and premium rice products.
- Building a system of agents, partners, and domestic customers, while supporting connections to export markets.
- Consulting on business solutions, branding, and developing rice products to meet market needs.

With the motto 'Standard Paddy - Clean Rice - Delicious Meal', I always put product quality, prestige, and customer satisfaction first.
